No visit to Cape Town, the Western Cape or indeed South Africa for that matter can ever be complete, without undertaking the Grand Tour of the Cape Peninsula – the Fairest Cape in the whole circumference of the world (Drake, 1500).

08:15 Depart from the conference venue, making your way directly to the Hout Bay fishing harbour on the Atlantic Seaboard.

09:15 At the harbour you will board Drumbeat II, for a short sea-cruise to Duiker Island to view the colony of Cape fur seals and other aquatic birds on the island. The boat moves in real close to the island, affording you the best possibilities for some great photo shots of these agile animals.

10:00 On your return to the mainland, there will be some free time to view the curios sold on the quayside, and to bargain for some good prices with the traders.

10:30 You will now travel via Chapman's Peak Drive, compared by many to highway 1 in California to the Cape of Good Hope Nature Reserve, to view the southwestern-most tip of Africa as well as Cape Point.

13:30 From Cape Point, now travelling along the False Bay coastline, you make your way to Simonstown and the Seaforth Restaurant where a seafood lunch will be enjoyed.

15:30 After lunch, you will have time to view the African penguin colony at Seaforth beach, and then your touring vehicle will bring you back to the conference venue in Stellenbosch, travelling via Baden Powell Drive and the False Bay coast.
